

OMED: Educational Services would foremost like to congratulate you on your acceptance to the Georgia Institute of Technology. OMED: Educational Services is an academic unit charged with providing underrepresented students at Georgia Tech the resources needed to help them achieve their academic goals.

To further welcome and assist you during your transition to Georgia Tech, OMED: Educational Services in collaboration with several graduate student organizations

cordially invites you to:

2016 OMED Transitions

OMED Transitions is a half-day program designed to help acclimate incoming underrepresented graduate students to the academic and social environments at Georgia Tech.

Friday, August 19, 2016
